

# Safety Data Sheet

According to regulation : ISO 11014-1  
Version 1.0 Revision Date : 08.05.25  
Date of compilation : 08.05.25

## Section 1 : Identification of the substance/mixture and of the company/undertaking

### 1.1 Product Identifier

Product name SEAWEED EXTRACT GEL

### 1.2 Relevant identified uses of the substance or mixture and uses advised against

Identified uses Personal Care.

### 1.3 Details of the supplier of the safety data sheet

Company Treasure Actives  
6, 311rd, 3rd Avenue, Gowon Estate, Egbeda, Lagos, Nigeria.  
Telephone +234 814 654 9958  
Website: www.treasureactives.com  
Email: info@treasureactives.com

### 1.4 Emergency telephone

Emergency phone 1-800-424-9300 (Chemtrec)

## Section 2 : Hazards Identification

### 2.1 Classification of the substance or mixture

Not a hazardous substance or mixture according to the 2012 OSHA Hazard Communication Standard (29 CFR 1910.122). Not a dangerous substance or mixture according to the Globally Harmonized System (GHS).

### 2.2 Label elements

Not a hazardous substance or mixture.

#### Hazard Statements

Not a hazardous substance or mixture.

### 2.3 Other Hazards

This substance contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

## Section 3 : Composition/information on ingredients

### 3.1 Mixture

#### SEAWEED EXTRACT GEL

##### Component

##### Algae Extract

CAS: 92128-82-0

EC: 295-780-4

##### Aqua

CAS: 7732-18-5

EC: 231-791-2

##### Caprylhydroxamic acid

CAS: 7377-03-9

EC: 230-936-7

##### 1,3, Propanediol

CAS: 504-63-2

EC: 207-997-3

##### 1,2-Hexanediol

CAS: 6920-22-5

EC: 230-029-6

##### Classifications (Individual)

Not Classified

Not Classified

Not Classified

Not Classified

Eye Irrit. 2

##### Concentration (Individual)

1.0 – 5.0%

0.1 – 0.5%

<2.0%

<1%

No components need to be disclosed according to the applicable regulations.

## Section 4 : First aid measures

### 4.1 Description of first aid measures

#### General advice

Consult a physician. Show this material safety data sheet to the doctor in attendance.

#### In case of inhalation

After inhalation: fresh air.

#### In case of skin contact

In case of skin contact: Take off immediately all contaminated clothing. Rinse skin with water/shower.

#### In case of eye contact

After eye contact: rinse out with plenty of water. Remove contact lenses.

#### In case of ingestion

After swallowing: make victim drink water (two glasses at most). Consult doctor if feeling unwell.

### 4.2 Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2.2) and/or in section 11.

### 4.3 Indication of any immediate medical attention and special treatment needed

No data available.

## Section 5 : Firefighting Measures

### 5.1 Extinguishing media

#### Suitable extinguishing media

Water, Foam, Carbon dioxide (CO<sub>2</sub>), Dry powder.

#### Un-suitable extinguishing media

For this substance/mixture no limitations of extinguishing agents are given.

### 5.2 Special hazards arising from the substance or mixture

Carbon oxides

Combustible

Development of hazardous combustion gases or vapours possible in the event of fire.

### 5.3 Advice for firefighters

In the event of fire, wear self-contained breathing apparatus.

### 5.4 Further Information

Prevent fire extinguishing water from contaminating surface water or the ground water system.

## Section 6 : Accidental release measures

### 6.1 Personal precautions, protective equipment, and emergency procedures

For non-emergency personnel

Advice for non-emergency personnel: Avoid inhalation of dusts. Evacuate the danger area, observe emergency procedures, consult an expert.

For personal protection see section 8.

### 6.2 Environmental precautions

Do not let product enter drains.

### 6.3 Methods and materials for containment and cleaning up

Cover drains. Collect, bind, and pump off spills. Observe possible material restrictions (see sections 7 and 10). Take up dry. Dispose of properly. Clean up affected area. Avoid generation of dusts.

### 6.4 Reference to other sections

See Section 13 for information on disposal.

## Section 7 : Handling and storage

### 7.1 Precautions for safe handling

Advice on safe handling

Hygiene measures

For precautions see section 2.2.

Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of the working day. For precautions see section 2.2.

### 7.2 Conditions for safe storage, including any incompatibilities

Requirements for Storage

Tightly closed. Dry.

### 7.3 Specific end use(s)

Apart from the uses mentioned in section 1.2 no other specific uses are stipulated.

## Section 8 : Exposure Controls/Personal Protection

### 8.1 Control Parameters

#### Ingredients with workplace control parameters

Contains no substances with occupational exposure limit values.

## 8.2 Exposure controls

### Individual protection measures, such as personal protective equipment

|                                 |                                                                                                                                                                                                                                           |
|---------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Eye/face protection             | Face shield and safety glasses Use equipment for eye protection tested and approved under appropriate government standards .                                                                                                              |
| Body protection                 | We suggest that routine unprotected and long-term contact with these products should be avoided and that suitable gloves should be worn during use.                                                                                       |
| Hygiene measures                | Handle in accordance with good industrial hygiene and safety practice.<br>When using do not eat or drink.<br>When using do not smoke.<br>Wash hands before breaks and at the end of workday.<br>Wash contaminated clothing before re-use. |
| Environmental exposure controls | Do not allow product to enter drains.                                                                                                                                                                                                     |

## Section 9 : Physical and chemical properties

### 9.1 Information on basic physical and chemical properties

|                              |                                                                            |
|------------------------------|----------------------------------------------------------------------------|
| Appearance                   | Clear to cloudy viscous liquid.                                            |
| Colour                       | Not available.                                                             |
| Odour                        | Not available.                                                             |
| Odour threshold              | Not available.                                                             |
| pH                           | Not available.                                                             |
| Melting point/range (°C)     | Not available.                                                             |
| Boiling point/range (°C)     | Not available.                                                             |
| Flash point (°C)             | Not available.                                                             |
| Evaporation rate             | Not available.                                                             |
| Flammability (solid, gas)    | Not available.                                                             |
| Upper/lower explosive limits | Lower: Not available.<br>Upper: Not available.                             |
| Vapour pressure (25°C)       | Not available.                                                             |
| Vapour density               | Not available.                                                             |
| Relative Density (25°C)      | Not available.                                                             |
| Density                      | Not available.                                                             |
| Water Solubility             | Not available.                                                             |
| Partition coefficient        | Not available.                                                             |
| Auto-ignition temperature    | Not available.                                                             |
| Decomposition temperature    | Not available.                                                             |
| Viscosity, dynamic (mPa.s)   | Viscosity, kinematic: Not available.<br>Viscosity, dynamic: Not available. |
| Explosive properties         | Not available.                                                             |
| Oxidising properties         | Not available.                                                             |

### 9.2 Other information

|              |                |
|--------------|----------------|
| Burning Rate | Not available. |
|--------------|----------------|

## Section 10 : Stability and reactivity

### 10.1 Reactivity

The following applies in general to flammable organic substances and mixtures: in correspondingly fine distribution, when whirled up a dust explosion potential may generally be assumed.

### 10.2 Chemical stability

The product is chemically stable under standard ambient conditions (room temperature) .

### 10.3 Possibility of hazardous reactions

Violent reactions possible with:  
Strong oxidising agents

### 10.4 Conditions to avoid

No data available.

### 10.5 Incompatible materials

Strong oxidising agent.

### 10.6 Hazardous decomposition products

In the event of fire: see section 5.

## Section 11 : Toxicological information

### 11.1 Information on toxicological effects

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| <b>Acute Toxicity</b>            | Based on available data, the classification criteria are not met. |
| <b>Skin corrosion/Irritation</b> | Skin - Human Result: No skin irritation                           |

|                                          |                                           |
|------------------------------------------|-------------------------------------------|
| <b>Serious eye damage/irritation</b>     | Eyes - Rabbit Result: Irritating to eyes. |
| <b>Respiratory or skin sensitization</b> | No data available                         |
| <b>Germ cell mutagenicity</b>            | No data available                         |
| <b>Carcinogenicity</b>                   | No data available.                        |
| <b>Reproductive toxicity</b>             | No data available.                        |
| <b>STOT- single exposure</b>             | No data available.                        |
| <b>STOT-repeated exposure</b>            | No data available.                        |
| <b>Aspiration hazard</b>                 | No data available.                        |

#### 11.2 Additional Information

Classification according to GHS (1272/2008/EC, CLP)

Acute toxicity

Harmful if swallowed. Harmful if inhaled.

### Section 12 : Ecological information

#### 12.1 Toxicity

Toxicity to Fish Based on available data the classification criteria are not met.

Toxicity to daphnia and other aquatic invertebrates Based on available data the classification criteria are not met.

Toxicity to algae Based on available data the classification criteria are not met.

Toxicity to bacteria Based on available data the classification criteria are not met.

#### 12.2 Persistence and degradability

Biodegradability No data available

Biochemical Oxygen Demand No data available

Chemical Oxygen Demand No data available

#### 12.3 Bioaccumulative potential

Bioaccumulation No data available.

#### 12.4 Mobility in soil

No data available.

#### 12.5 Results of PBT and vPvB assessment

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

#### 12.6 Endocrine disrupting properties

Very toxic to aquatic life with long lasting effects.

Very toxic to aquatic organisms, may cause long-term adverse effects in the aquatic environment..

#### 12.7 Other Adverse effects

No data available.

### Section 13 : Disposal considerations

#### 13.1 Waste treatment method

Waste material must be disposed of in accordance with the national and local regulations. Leave chemicals in original containers. No mixing with other waste. Handle uncleaned containers like the product itself.

#### 13.2 Product/Packaging disposal

If empty container retains product residues, all label precautions must be observed. Return for reuse or dispose according to national or local regulations.

### Section 14 : Transport information

#### 14.1 UN Number

ADR/RID: -

IMDG: -

IATA: -

#### 14.2 UN Proper shipping name

ADR/RID Not dangerous goods

IMDG Not dangerous goods

IATA Not dangerous goods

#### 14.3 Transport hazard class(es)

ADR/RID: -

IMDG: -

IATA: -

#### 14.4 Packaging Group

ADR/RID: -

IMDG: -

IATA: -

#### 14.5 Environmental Hazards

**14.6 Special precautions for users**

No data available

**Section 15 : Regulatory information****15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture**

This safety datasheet complies with the requirements of 2012 OSHA Hazard Communication Standard (29 CFR 1910.122).

**US state regulations**

Not regulated.

**US. Massachusetts RTK - Substance List**

Not regulated.

**US. New Jersey Worker and Community Right-to-Know Act**

Not regulated.

**US. Pennsylvania RTK - Hazardous Substances**

Not regulated.

**US. Rhode Island RTK**

Not regulated.

**US. California Proposition 65**

California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): This material is not known to contain any chemicals currently listed as carcinogens or reproductive toxins.

**15.2 Chemical safety assessment**

For this product a chemical safety assessment was not carried out.

**Section 16 : Other information****Disclaimer**

This information is provided for documentation purposes only. This information and any technical or otherwise recommendations are presented in good faith and believed to be correct as of the date prepared. Recipients of this information and recommendations must make their own determination as to its suitability for their purposes. This safety sheet cannot cover all possible situations which the user may experience during processing. Each aspect of your operation should be examined to determine if, or where, additional precautions may be necessary. All health and safety information contained in this bulletin should be provided to your employees or customers. In no event shall Treasure Actives (Cosmeceutical Actives International) assume liability for damages or losses of any kind or nature that result from the use of or reliance upon this information and recommendations. Treasure Actives expressly disclaims any representations and warranties of any kind, whether express or implied, as to the accuracy, completeness, non-infringement, merchantability, and/or fitness for a particular purpose (even if Treasure Actives is aware of such purpose) with respect to any information and recommendations provided. Reference to any trade names used by other companies is neither a recommendation nor an endorsement of the corresponding product and does not imply that similar products could not be used. Treasure Actives reserves the right to make any changes to the information and/or recommendations at any time, without prior or subsequent notice.
